## ABOUT THE BOOK

Can you remember the allure of chocolate when you were a child?

With Easter on its way, every child is focused on chocolate, and Cali and Daviddi's delicious and funny picture book exactly captures why children love it so much.

It savours its different shapes and sizes; its colours and flavours; all the different ways it can be eaten (including The Well-Mannered Nibble); and the occasions it's perfect for (including saying sorry to Mum for breaking her best vase).

A warm and entertaining celebration of our most guilty pleasure, *I Like Chocolate* also contains an important messages about friendship, sharing, and eating in moderation.

For ages 5 and upwards. Teachers' notes and artwork downloads available at [www.wilkinsfarago.com.au](http://www.wilkinsfarago.com.au).
